

Responding to the Indicator #13 Checklist

State Performance Plan/ Annual Performance Report

A Compliance Indicator

What is Indicator 13 asking?

- Review current Individual Education Programs for students 16 to 22)
 - appropriate measurable postsecondary goals
 - those goals are annually updated
 - they are based upon age appropriate transition assessment
 - transition services, including courses of study, will reasonably enable the student to meet those postsecondary goals

What is Indicator 13 asking?

- annual IEP goals are related to the student's transition services needs
- evidence that the student was invited to the IEP Team meeting where transition services are discussed
- if appropriate, a representative of any participating agency was invited to the IEP Team meeting with the prior consent of the parent or student who has reached the age of majority

1) Is there evidence that the student was invited to attend the IEP Team meeting if a purpose of the meeting is the consideration of postsecondary goals and transition services?

____yes

____no

2) If the student has reached age of majority, is there documentation that he/she received a meeting notice?

____yes

____no (no documentation)

____n/a

3) If a representative of any participating agency was invited to the IEP Team meeting, is there evidence that the LEA obtained prior written consent of the parent/guardian or student who has reached the age of majority?

____yes

____no

____n/a

4) Are there measurable postsecondary goals relating to training, education, employment, and, where appropriate, independent living skills?

____yes

____no

5) Are the postsecondary goals based upon age appropriate transition assessment related to training, education, employment and, where appropriate, independent living skills?

_____yes

_____no

6) Are appropriate measureable postsecondary goals updated at least annually?

_____yes

_____no

7) Does the IEP include annual goals related to the student's transition services needs?

____yes

____no

8) Are the transition services, including the courses of study, focused on improving the academic achievement and functional performance of the student to facilitate movement from school to post-school activities?

____yes

____no
